MEXICO. - Notwithstanding the threatening aspect of affairs in Northern Mexico, where the

fitness for this herculean if not hopeless task is afforded by what he has performed already. Succeeding to power at a moment when the and the election of Fillmore, and consequent overnment was disorganized and the nation in utter prostration of Fremont and his cohorts a state of deplorable anarchy, he promptly 1e- could be accomplished by their votes! Pretty stored order at the centre and has ever since triends of the South they are. ing it to the turbulent horder States in the face We are waiting for it. f the gravest obatacles. But this is not all. Knowing that no excess of mere physical nently, he set about enthroning it in the earts of the people with a vigor and discretion which gave cheering assurance of the suc-In the brief period which has elspsed since the inauguration of his government, Comonfo has cut off the dead weight of the clergy from the hody politic and buried the exprescence, pad three or four formidable revolutions in the hud, infused unwonted trust and activity ugh all civil pursuits, and imparted a life and earnestness to the general movement of the at on which is full of the highest promise. He bas eubdued his adversaries by energy and sion, controlled his friends by tact and moderation, and given a glorious upward impulse to the masses by the sheer force of states anship. He has met and mastered many of the most stubborn exigencies of his cituation elmply by daring to be wise.

The only considerable difficulties which now appear to postpone his complete succees are e rebellion of Vidantri in the North, which, relieved of all other similar cares, he is abutda tly able to quell, and the general question of finance, to whose solution his previous suc ceesea will have paved the way, if aught earthly can pave it. The question of revenue is the ordian knot in Mexican politics, at which the most powerful and skillful administra tions have paused in despair, and which nothing but he sword of revolution has hitherto untied. If Comonfort adds the neaceful so. on of this capital problem to his other triumphs he well have earned a conspicuous place

may a dress leelf to the question of financia Sa'e he some lime since armexed the a jacen' ity of the people of the latter - a e'ep to which The latest Mexican intelligence a nounces that eceded," with the ul imale prospect, it is said, of taking Tamau pas with him, if no speedily checked. We have little or rather no doubt that Comorfort will check him speed ly and effectually. The power which, while il ref rms, has so readily varquished Urage New Leon, especially as the final movement of

throw of V.daur 1, and, with his overthrow, th complete and it may be lasting ascendency of natur I complement of Comorfort's past suc informed and dispas rotate men of all parties. ce es and he necessary condition of his fitte e 19 low out of the question. He cannot be ele t

Mas. Donenson's Spreach. The Nashville not be elected if Fillmore were ou' of the field Patriot reput lishes from the Nashville Union of Mr. Pullmore's being a card date is the Soul. ember 26, 1850, the speech of Maj. Donel whole securily against the election of Fre e Nashville Southern Corvention. May Don-dates tay upon the tract, hu, with Bulland son, it will be remembered, attended the son ut of the war. Mr. Fig. frium hant su cas thern Convention as a friend of moderate views. and the consequent salvation of the country

and, upon the di closure of the strong disunted would be certa. . We have a right then to appendences of that body, attempted u successfully to be heard in behalf of the Union. The matter how z alously and hones by they may now he supporting Mr. Bichanan, to insist or heard. The meeting at which the speech we his immediate willdrawal, and, in the eyent now added to was delivered was called for the special purpose of disclaiming all connection their whole strength in favor of Mr. Fillmore. with the Southern Convention on the part of S rely the results of the elections in lowa Tennessee, and to wipe out the stain which that Ve mont, and Maine abould rouse them to a traitorous assembage had left upon her soil deep and fearful sense of the mighty mp The speech of May Donelson was the leading saice of acting in this patter without near feature of the occasion, and well deserves the cot 1- A warrant high praise it has overywhere elicited. It breathes the true Unio feeling, and is conceived do throughout in a fine spirit of philosophic statesenlightened. Every cleizen in the Republic to Major D forthis timely and invatuable ser rice to the Union. None can read it without a Although Col. Writers is author is most richly one with which the party of about to clothe him. We shall encount to clothe him.

aides writing much for our columns and writing ANOTHER NIGGARDLY ACT .- In 1814 the inforcibly and well, he is ever ready to go to American troops a' Buffalo were quartered in the private remediaces of the citizens. The eliginal bere is not a the whole Sag-Aucht host a champion whom he is affal or ought to knows, entered the city and hursed these im-prompte hut costly harracks to the ground. helore the people a d been tri mplant in then en Congress assembled, the people who had all. A few days ago web and o rofl sup thus suffered by the virtual act of the Govern- ponents, a gentleman of tale it who I mae ment applied for compensation to which they speaks extremely well, say that he had leard a were clearly en filed by every consideration of sides, and that Col. W. was the heat-posted and most et. the bill granting this compensation. Yes, ficient of them all. while the wives and children of these citizens, as a direct consequence of the occupation of houses by the American soldiery, were frembing shelterleas in the street, and while the thunders of the victory at New Orleans, that would have kindled a glow of generosity fu any heart not absolutely stockish, had yet scarcely died upon the ear, James Buchanan sat in his seat, like the cold etatus he 1°, and voted No! against this resistless appeal to justice and humanity. We do not know that such ineffable meanness finds any retribution on his pects it. So do other folks. ineffable meanness finds any retribution on his pects it. So do other folks.

earth, but if it does we cance: be mistaken in the day. We see that the Montp-her Patriot and the Republicans of Indiana on the Tippecanoe of er Democratic organs of Vermont are ared their readers before the election in that fixte task would go for the Buchanan ticket, extension of slavery into free territory, but we have the good to the task would be the state of the state o And yet she went against that ticket, small se are couldnt he will not sid to elevate any many is ber voting population, by a majority of more than 'wenty-one thousand. Then what reliance is 'o he pisced upon the boasts of Seg-Nicht the rights of slaveholder within the territory

het their own money upon the result of the force could be relied upon to establish order Kentucky election in November, it must be because they are making confident calculation pon foul play. That the leaders of the party are making such calculations, we have strong One of the most respectable citizens of Jel eon cour'y, a friend of ours, met a Demo-

crat in this city fourteen or fifteen days ago and m was offered by him a bet upon Kentucky. Our friend replied: "Now there really must be omething that I do not understand. You are a sensible man, and know very will that Ken ucky will not go for Buchanan in any fair elecion, and I do wish you would tell me why it is ha' you are willing to stake your money The Democrat, though by no means inchriated, had taken just enough to make him a little com nicative, and, after various preliminary re marks, he avowed that his friends, having given up Ohio, would hring six thousand vo from that State and a large or small numbe om Indiana according to circu A Democrat a few days ago, who well un-

stands the condition of things in Owen, ofered a bet that the county will give a majority f fifteen bundred for Buchanan and Breckinidge, though he well knows that the whole opulation of the county entitled to vote mounts to no more than about twelve hunred. Ha eviden'ly agrees with Mr. John C. Bracking and the editor of the Frankfert Yeoman, both of whom have declared that it is

nly necessary to let Owen know before any lection how large a Democratic majority i wanted of her and it will be forthcoming. It now being known, and the proof being at unchallenged right to be hailed "the savior of have been cent on by the Pierce Cabinet to be wagered apon the result in Kentucky, and the hindreds of persons by or through whom it i m answill he adopted for carrying Kentu ky a rrisi the Governor of New Leon, to which Liw and morality and every human right wil

be withdrawn. Mr. Fil more would be elected

BY TELEGRAPH.

Reported for the Louisville Journal.

ARRIVAL OF THE CITY OF BALLIMORE.

PHILADEMPHIA, Sept. 10.

The steamer City of Baltimore arrive this exening with Liverpool dates to the 27th.

Liverpool, Ang. 25.—We are still without arrival and the continuation of showery weather. The grain trade has been steady. At to-day's market there was a good attendance. The millers and mealers, who paid full prices of Friday for all the fine wheat they could get, would have taken more had it been attainable. Inferior kinds are, however, still quite unsaleable.

Figur was in good demand and realized full rates—in sine cases an advance of 61 per bbl being established. For corn there was some sperulative inquiry, and 33a31s was paid for mixed and yellow, and 34a3s for white. We quote reit wheat at 7a9s 6d, whate 9, 6d at 1s per 10 hbs. Postsians—Beet is unchanged. Pork intending the provision—Beet is unchanged. Pork intendig and but little doing. Bacon is quiet with early limited demand for country; about 700 was were to-day effected at suction, but only 30 and at 55s for long middles, boneless, and 53. ARRIVAL OF THE CITY OF BALLIMORE.

ld at 553 for long middles, boneless, and 53-or common cut. Laid is very scarce and 71for common cut. Lase was paid for 120 tons.

ST Louis, Sept. 10.

The Republican has advices from Kaneas to be 5th, s ating that on the 4th a party of Laueshen attacked Terunoseh. No particulars, intege Leconipte has issued orders to the Marshal of the Territory to arrest Laue and the their agulators. General Smith nommanded fol Cook, commanding fourteen comparts at Fort Riley, to give the necessary assistance to xecute the write Governor Geary reached frasgew to day. In the evening he met Gov. Sannion there, on his way down the river. ST Louis, Sent. 10.

NEW YORK, Sept. 10.

The Fremont mass-meeting held here to-day on immense gathering Delegations are oning in from all quarters, and are marching procession through our streets with mu-id banners. The houses are decorated wi-yes, and the streets throughd with peop the greatest enthusiasm prevails. J. Prescott Hail presided at the meeting hich was much the largest ever held in this

## From the Evening Bulletin.

[Special Disputch to the Bull tin.] St. Louis, Sept. 10. A party of Free State men entered Tecumseh on the 4th, and sacked and plundered the town. Judge Lecompte has issued warrants to the Marshal of the Territory for the arrest of Lenand other agitators, and General Smith has orered Col. Cook, commanding fourteen compa-ies of troops, to aid the Marshai. Governor channon came down on the Genoa this morning

PORTLAND, Sept. 10. PORTLAND, Sept. 10.

In 264 towns, Hamlin has 53,218, Wells 32,78, Patten 4 593. Every member of Conress, the whole Sanate with the exception pertans of the member from Aroostock, and northan four-fifthe of the House, are Republicans
lumin's majority for Governor over Wells
with se 20 0001 and 15 000 over all. In this disrict Washburn, Republican, has over 2,000 instiprity. Every coming in shows large Republic rity. Every comi ig in shows large Republican galns.

NEW YORK, Sept. 10. The Democrat Torch Light Procession of last The Democrat Torch Light Procession of last hight was the greatest demonstration of the wind ever witnessed in this city. The procession was five miles in length, and it is estimated that 20,000 persons took part in it. There were fifty hands of music, and the torches, banners, and other devices were to be counted by tens of thousands. The streets through which the procession passed were in a perfect blaze of light for miles in extent. The wildest enthusiasms was manifested, and at the close the masses dispersed without any occurrence to mar the harmony of the demonstration.

There was one death from yellow fever yesterday at Milliary Hospital and one new case. There have been no new cases in Brooklyn for the past 24 hours.

SPRINGFIELD, MASS, Sept. 10. The D mocratic State Convention assembled here to day. There are 1,000 delegates in attendance. Ansel Phelps, jr., has been chosen

CHARLESTON, Sept. 9. Three deaths from yellow fever have oc-curred within the last 24 hours. During the week ending Saturday there were 16 deaths
